Independent Auditor's Report

Board of Directors Safehome, Inc. Overland Park, Kansas

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Safehome, Inc., which comprise the statements of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Safehome, Inc. as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Safehome, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safehome, Inc.'s ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Board of Directors Safehome, Inc. Page 2

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safehome, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safehome, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements are certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Board of Directors Safehome, Inc. Page 3

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 30, 2022, on our consideration of Safehome, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Safehome, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Safehome, Inc.'s internal control over financial reporting and compliance.

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Safehome, Inc. (the "Organization") provides a healing atmosphere where survivors of domestic violence can gain inner strength, build self-esteem, explore options, and establish a life free of violence. Through the Organization's shelter and community services, approximately 2,400 individuals each year receive the support they need to lead healthy, independent lives. Its vision is to create a community free of domestic violence and partner abuse. The Organization's mission is to break the cycle of domestic violence and partner abuse for victims and their children by providing shelter, advocacy, counseling and prevention education in its community.

Domestic violence is a significant and growing public safety issue that affects the health and wellbeing of millions of people in the United States each year regardless of race, ethnicity, gender, socio-economic status or sexual orientation. The effects of domestic violence are devastating. Victims of domestic violence struggle with physical and emotional trauma, a diminished sense of self, and often express self-blame for the abuse they have suffered. In addition to physical abuse and threats of violence, victims are often barred from any independent activities, denied access to the family finances, discouraged or forbidden from seeking employment and not permitted to spend time with family and friends.

Safehome, Inc. is a 501(c)(3) nonprofit organization established in 1980. The Organization is supported primarily by several federal, state, and local grants, and contributions from donors in the Kansas City metro area. Donations received by the Organization are tax deductible.

Program Descriptions – Safehome, Inc. is the largest domestic violence agency in the state of Kansas and the only agency in Johnson County, Kansas. The Organization serves the entire Kansas City metro area with an emphasis in Johnson and Miami Counties in Kansas. The outbreak of the COVID-19 pandemic and measures adopted by the Organization to mitigate its spread impacted the services provided by Safehome during the past two years. Although the Organization was able to continue operation throughout the pandemic, the mitigation measures taken by the Organization required it to suspend or reduce some of its services. This negatively impacted the Organization's client service outcomes for the past two years. In 2021, Safehome, Inc. provided services to approximately 2,400 individuals through its four primary comprehensive services. All of the Organization's services are available in English and Spanish, and other language translation is provided as needed. Safehome, Inc. provides all of its services confidentially and free of charge.

Shelter – The Organization's emergency shelter consists of 14 family units, 10 single units, and the option to provide two large family units, providing a confidential, safe, and healing atmosphere for adults and children to love, gain inner strength, build self-esteem, and heal. In 2021, the Organization provided 131 adults and 120 children escaping from domestic violence with 13,081 bed nights of refuge to find safety, help and hope. The Organization's shelter includes a crisis hotline that is available 24 hours a day, seven days a week to provide a listening ear, help with immediate safety planning, and connect victims with the Organization's or other community resources they need to escape domestic violence situations. In 2021, the Organization responded to

2,797 hotline calls. The Organization also provides rent assistance and supportive services to families who transition to independent living. In 2021, the Organization assisted 39 adult clients and 59 children to obtain their own independent housing.

Counseling – Licensed therapists provide individual counseling for adults and children who are victims of domestic violence. Additionally, support groups are offered on a variety of special interest topics. In 2021, the Organization provided 3,903 hours of counseling services to 444 adults and 11 children and facilitated 50 support groups.

Outreach and Advocacy

Healthcare Advocacy – Healthcare advocates offer help to victims of domestic violence in health care settings such as hospitals and medical clinics. Through its healthcare advocacy program, the Organization educated 733 individuals and trained 1,201 medical professionals in 2021 to recognize and respond to victims of domestic violence.

Community Education – The Organization educates victims and the community at large about domestic violence issues. Economic advocates assist clients with budgeting and financial management education individually and in structured classes. In 2021, the Organization reached 12,241 individuals through its community education programs.

Court and Legal Services Advocacy – The Organization provides assistance to victims at the district court. The Organization is the only domestic violence agency in the Kansas City metro area or in the state of Kansas to have a full-time attorney on staff. In 2021, the Organization assisted 140 individuals with legal services directly from its full-time attorney, and assisted 782 victims with learning about domestic violence, protection from abuse orders and the legal process in district court through its legal advocacy services.

Children's Services – Children receive supportive services for school, health care, and daily needs. The Organization's licensed child and family therapists are skilled in working with children exposed to or affected by domestic violence. Safehome also provides a staffed Children's Center for clients' children to utilize during clients' therapy sessions, legal counsel and court appearances. A summer program, with a summer camp counselor, provides extracurricular summer activities to children and their families.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all liquid investments with original maturities of three months or less to be cash equivalents. Uninvested cash and cash equivalents included in investment accounts, including endowment accounts, are not considered to be cash and cash equivalents. At December 31, 2021 and 2020, cash equivalents consisted primarily of money market accounts with brokers. At December 31, 2021, the Organization's cash accounts did not exceed federally insured limits.

Grants and Contributions Receivable

Grants and contributions receivable primarily consist of amounts due from foundations and governmental agencies based on amounts defined in the contract or grant agreement. Grants receivable are typically paid by the granting agency in their normal course of business (usually within 90 days).

The Organization provides an allowance for uncollectable grants and contributions receivable, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions.

Inventories

Inventories consist of clothing, food, health and beauty and other miscellaneous household items. Inventory is stated at estimated fair value at date of donation.

Investments and Net Investment Return

Investments in equity securities having a readily determinable fair value and in all debt securities are carried at fair value. Certificates of deposit are carried at cost.

Investment return includes dividend, interest and other investment income; realized and unrealized gains and losses on investments carried at fair value; and realized gains and losses on other investments, less external and direct internal investment expenses.

Investment return that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the statements of activities with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

Property and Equipment

Property and equipment acquisitions over \$5,000 are stated at cost, less accumulated depreciation. Depreciation is charged to expense on the straight-line basis over the estimated useful life of each asset.

The estimated useful lives for each major depreciable classification of property and equipment are as follows:

Buildings	30 years
Land and building improvements	10 - 15 years
Furniture and fixtures	5 - 10 years
Equipment	3 - 10 years
Software	3 years

Long-Lived Asset Impairment

The Organization evaluates the recoverability of the carrying value of long-lived assets whenever events or circumstances indicate the carrying amount may not be recoverable. If a long-lived asset is tested for recoverability and the undiscounted estimated future cash flows expected to result from the use and eventual disposition of the asset are less than the carrying amount of the asset, the asset cost is adjusted to fair value and an impairment loss is recognized as the amount by which the carrying amount of a long-lived asset exceeds its fair value. No asset impairment was recognized during the years ended December 31, 2021 and 2020.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor restrictions.

Net assets without donor restrictions are available for use in general operations and not subject to donor or certain grantor restrictions. The governing board has designated, from net assets without donor or certain grantor restrictions, net assets for an operating reserve and board-designated endowment.

Net assets with donor restrictions are subject to donor or certain grantor restrictions. Some restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other restrictions are perpetual in nature, where the donor or grantor stipulates that resources be maintained in perpetuity.

Government Grants and Contracts

Support funded by government grants and contracts are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position. Grant activities and outlays are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required.

Contributions

Contributions are provided to the Organization either with or without restrictions placed on the gift by the donor. Revenues and net assets are separately reported to reflect the nature of those gifts – with or without donor restrictions. The value recorded for each contribution is recognized as follows:

Nature of the Gift	Value Recognized
Conditional gifts, with or without restriction Gifts that depend on the Organization overcoming a donor-imposed barrier to be entitled to the funds	Not recognized until the gift becomes unconditional, <i>i.e.</i> , the donor-imposed barrier is met
Unconditional gifts, with or without restriction Received at date of gift – cash and other assets	Fair value
Expected to be collected within one year	Net realizable value
Collected in future years	Initially reported at fair value determined using the discounted present value of estimated future cash flows technique

In addition to the amount initially recognized, revenue for unconditional gifts to be collected in future years is also recognized each year as the present-value discount is amortized using the level-yield method.

When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. Absent explicit donor stipulations for the period of time that long-lived assets must be held, expirations of restrictions for gifts of land, buildings, equipment and other long-lived assets are reported when those assets are placed in service.

Gifts and investment income that are originally restricted by the donor and for which the restriction is met in the same time period the gift is received are recorded as revenue with donor restrictions and then released from restriction. Conditional contributions having donor stipulations which are satisfied in the period the gift is received are recorded as revenue and net assets without donor restrictions.

In-kind Contributions

In addition to receiving cash contributions, the Organization receives in-kind contributions of clothing, food, and household items from various donors. It is the policy of the Organization to record the estimated fair value of certain in-kind donations as an expense in its financial statements, and similarly increase contribution revenue by the same amount. For the years ended December 31, 2021 and 2020, \$191,955 and \$140,921, respectively, was received in in-kind contributions.

Special Events Revenue

The portion of the special events revenue that relates to the commensurate value the donor received in return is recognized when the related events are held and performance obligations are met. The transaction price is determined based on the value of direct benefits provided to donors, which was \$52,498 and \$74,122 for the years ended December 31, 2021 and 2020, respectively. All special events revenue is recognized as of the point in time the event is held and benefits are provided to the donor, which is when the performance obligations are met. The portion of special events revenue considered to be a contribution is recognized in accordance with the Organization's contribution revenue policies.

Income Taxes

The Organization is exempt from income taxes under Section 501 of the Internal Revenue Code and a similar provision of state law. However, the Organization is subject to federal income tax on any unrelated business taxable income. The Organization files tax returns in the U.S. federal jurisdiction.

Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Certain costs have been allocated among the program, management and general and fundraising categories based on estimated time expended, square footage or management's estimate of usage.

Note 2: Availability and Liquidity of Financial Assets

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of December 31, 2021 and 2020, comprise the following:

	2021	2020
Financial assets at year-end		
Cash and cash equivalents	\$ 562,366	\$ 155,481
Investments	2,333,365	2,449,961
Grants and contributions receivable	909,614	656,297
Total financial assets	3,805,345	3,261,739
Less amounts not available to be used within one year		
Board designated - operating reserve	(157,516)	(457,516)
Board designated - endowment	(1,285,819)	(1,102,415)
Donor endowments to be held in perpetuity	(890,030)	(890,030)
Donor-restricted for capital improvements	(112,943)	(911)
Donor-restricted for long-term purposes	(99,268)	(107,740)
Total financial assets not available to be		
used within one year	(2,545,576)	(2,558,612)
Financial assets available to meet cash needs for general		
expenditures within one year	\$ 1,259,769	\$ 703,127

The Organization receives significant contributions restricted by donors and considers contributions restricted for programs which are ongoing, major and central to its annual operations to be available to meet cash needs for general expenditures. For the years ended December 31, 2021 and 2020, restricted contributions of \$448,848 and \$392,593, respectively, were included in financial assets available to meet cash needs for general expenditures within one year.

The Organization's endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Donor-restricted endowment funds are not available for general expenditure. Although the Organization does not intend to spend from its board-designated endowment (other than amounts appropriated for general expenditure as part of the board's annual budget approval and appropriation), these amounts could be made available if necessary. The underlying investments are mutual funds and exchange-traded funds, and there are no withdrawal restrictions.

The board has also designated an amount for the purposes of establishing a prudent operating reserve. The operating reserve is intended to cover approximately six months of operating expense. To help manage unanticipated liquidity needs, the Organization has a committed line of credit in the amount of \$250,000, which it could draw upon.

The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged. As part of the Organization's liquidity management plan, the Organization invests cash in excess of daily requirement in short-term, low-risk investments.

Note 3: Conditional Grant Commitments

The Organization receives its grant support through periodic claims filed with the respective funding sources, not to exceed a limit specified in the funding agreement. Since the financial statements of the Organization are prepared on the accrual basis, all earned portions of the grants not yet received as of December 31, 2021 and 2020, have been recorded as receivables. Following are the conditional grant commitments that extend beyond December 31, 2021:

Grant	Conditional Grant Amount	Recognized as of December 31, 2021	Funding Available
Conditional upon incurrence of allowable qualifying expenses	\$ 1,939,728	\$ 394,223	\$ 1,545,505
Conditional upon availability of funds	367,836	178,271	189,565
	\$ 2,307,564	\$ 572,494	\$ 1,735,070

Note 4: Contributions Receivable

Contributions receivable consisted of the following:

	 2021	2020				
Due within one year	\$ 42,070	\$	21,858			

Note 5: Investments and Fair Value Disclosures

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1 Quoted prices in active markets for identical assets or liabilities
- Level 2 Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3 Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The following tables present the investment balances and the fair value measurements recognized in the accompanying statements of financial position measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2021 and 2020:

				Fair Va	lue Mea	sureme	nts Using			
	Inv	Total vestments	P Ma Ic	Quoted rices in Active rkets for lentical Assets Level 1)	Otl	rvable uts	Unobso Inp	ficant ervable uts rel 3)	A	At Cost
December 31, 2021										
Money market funds	\$	107,777	\$	107,777	\$	-	\$	-	\$	-
Mutual Funds:										
Equity - domestic		846,857		846,857		-		-		-
Equity - international		199,614		199,614		-		-		-
Fixed income		912,083		912,083		-		-		-
Other		109,518		109,518		-		-		-
Certificates of deposit		157,516		-		-		-		157,516
Total investments	\$	2,333,365	\$	2,175,849	\$	-	\$	-	\$	157,516

				Fair Va	lue Mea	sureme	nts Using)	
	Inv	Total vestments	P Ma Ic	Quoted rices in Active Irkets for dentical Assets Level 1)	Otl Obsei Inp	ficant her rvable uts rel 2)	•		 At Cost
December 31, 2020									
Money market funds	\$	74,528	\$	74,528	\$	-	\$	-	\$ -
Exchange-traded funds		154,000		154,000		-		-	-
Mutual Funds:									
Equity - domestic		691,663		691,663		-		-	-
Equity - international		208,512		208,512		-		-	-
Fixed income		863,742		863,742		-		-	-
Certificates of deposit		457,516		-		-		-	 457,516
Total investments	\$	2,449,961	\$	1,992,445	\$	-	\$	-	\$ 457,516

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. There have been no significant changes in the valuation techniques during the year ended December 31, 2021.

Note 6: Property and Equipment

Property and equipment at December 31, 2021 and 2020 consists of:

	2021	2020
Land	\$ 555,000	\$ 555,000
Land improvements	327,261	327,261
Building	3,099,889	3,099,889
Building improvements	1,492,688	1,215,863
Furniture and fixtures	291,770	264,708
Equipment and software	236,289	220,544
Construction in progress	6,000	
	6,008,897	5,683,265
Less accumulated depreciation and amortization	(2,770,834)	(2,501,544)
	\$ 3,238,063	\$ 3,181,721

Note 7: Line of Credit

The Organization has a \$250,000 revolving line of credit expiring in December 2023. At December 31, 2021 and 2020, there was \$0 and \$150,000 borrowed against this line, respectively. The line is collateralized by substantially all of the Organization's assets. Interest varies based upon *Wall Street Journal* Prime plus 0.5 percent, adjusted annually, with a minimum rate of 4.0 percent. Interest was 4.0 percent and 4.75 percent at December 31, 2021 and 2020, respectively, and is payable quarterly.

Note 8: Paycheck Protection Program (PPP) Loan

The Organization received two PPP loans established by the CARES Act and amended by the 2021 *Consolidated Appropriations Act* and has elected to account for the funding as loans in accordance with ASC Topic 470, *Debt*. Interest is accrued in accordance with the loan agreement. Any forgiveness of the loans are recognized as a gain in the financial statements in the period the debt is legally released. PPP loans are subject to audit and acceptance by the U.S. Department of Treasury, Small Business Administration (SBA), or lender, as a result of such audit, adjustments could be required to any gain recognized.

The Organization received a loan (first draw) in April 2020 in the amount of \$127,000. In June 2021, the Organization received notification from the SBA that the forgiveness application for the first draw PPP loan had been approved. Forgiveness of the PPP loan is as a separate line in the December 31, 2021 statement of activities.

The Organization received a loan (second draw) in March 2021 in the amount of \$300,000. The loan is payable in 44 installments of \$7,043 monthly including 1.00 percent interest beginning August 24, 2022. A portion of the loan may be forgiven under the *Consolidated Appropriations Act.* At December 31, 2021, the balance of the loan was \$300,000.

Aggregate annual maturities at December 31, 2021 were as follows:

2022 2023	\$ 34,020 82,230
2024	83,056
2025	83,890
2026	16,804
	\$ 300,000

Note 9: Operating Leases

Noncancellable operating leases for office equipment expire in various years through 2025. Future minimum lease payments at December 31, 2021, were:

2022 2023 2024	\$ 10,530 9,306 9,306
2025	\$ 9,306 38,448

Rental expense for this lease was \$13,817 and \$18,141 for the years ended December 31, 2021 and 2020, respectively.

Note 10: Retirement Plan

The Organization has implemented a retirement plan for its permanent employees, which is a qualified employee benefit plan under Internal Revenue Code Section 403(b). Discretionary employer contributions to the plan totaled \$10,902 and \$10,151 for the years ended December 31, 2021 and 2020, respectively.

Note 11: Net Assets

Net Assets With Donor Restrictions

Net assets with donor restrictions at December 31, 2021 and 2020, are restricted for the following purposes or periods:

	 2021	2020
Subject to expenditure for specified purpose		
Shelter services	\$ 47,771	\$ 82,886
Volunteer program	9,046	9,046
Counseling services	195,198	158,925
Community education programs	27,980	27,980
Children's program	11,823	11,491
Healthcare	48,220	49,119
Transitional living	41,333	9,547
Repairs, maintenance and technology	12,443	25,970
Capital projects	112,943	911
Staffing and staff training	53,069	17,629
Pet housing	99,268	107,740
Court and legal advocacy	 1,965	 -
Total purpose destrictions	 661,059	 501,244
Endowment held in perpetuity, income to be used for general operations	 890,030	 890,030
Total net assets with donor restrictions	\$ 1,551,089	\$ 1,391,274

Net Assets Without Donor Restrictions

Net assets without donor restrictions at December 31, 2021 and 2020, have been designated for the following purposes:

	2021	2020
Designated by board for operating reserve	\$ 157,516	\$ 457,516
Designated by board for endowment	1,285,819	1,102,415
Net investment in property and equipment	3,238,063	3,181,721
Undesignated	336,302	(157,006)
Total net assets without donor restrictions	\$ 5,017,700	\$ 4,584,646

Net Assets Released from Restrictions

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors.

	 2021	2020
Expiration of time restrictions	\$ -	\$ 4,584
Satisfaction of purpose restrictions		
Shelter services	130,502	204,612
Volunteer program	-	361
Counseling services	138,727	204,200
Community education programs	-	18,962
Children's program	5,667	7,240
Healthcare	5,898	4,316
Transitional living	139,645	9,807
Repairs, maintenance and technology	13,528	65,743
Capital projects	362,968	288,191
Staffing and staff training	24,376	90,033
Pet housing	8,472	4,022
Court and legal advocacy	 9,085	 -
Net assets released from restrictions	\$ 838,868	\$ 902,071

Note 12: Endowment

The Organization's governing body is subject to the *Uniform Prudent Management of Institutional Funds Act* (UPMIFA). In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. Duration and preservation of the fund
- 2. Purposes of the Organization and the fund
- 3. General economic conditions
- 4. Possible effect of inflation and deflation
- 5. Expected total return from investment income and appreciation or depreciation of investments
- 6. Other resources of the Organization
- 7. Investment policies of the Organization

The Organization's endowment consists of three funds established to support the operations of the Organization. The endowment includes both donor-restricted endowment funds and funds designated by the governing body to function as endowments (board-designated endowment funds). As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds, including board-designated endowment funds, are classified and reported based on the existence or absence of donor-imposed restrictions.

The composition of net assets by type of endowment fund at December 31, 2021 and 2020, was:

	Without Donor	With Donor	
	Restrictions	Restrictions	Total
December 31, 2021 Board-designated endowment funds Donor-restricted endowment funds Original donor-restricted gift amount	\$ 1,285,819	\$-	\$ 1,285,819
required to be maintained in perpetuity		890,030	890,030
Total endowment funds	\$ 1,285,819	\$ 890,030	\$ 2,175,849
December 31, 2020 Board-designated endowment funds Donor-restricted endowment funds Original donor-restricted gift amount	\$ 1,102,415	\$-	\$ 1,102,415
required to be maintained in perpetuity		890,030	890,030
Total endowment funds	\$ 1,102,415	\$ 890,030	\$ 1,992,445

Change in endowment net assets for the years ended December 31, 2021 and 2020 were:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment net assets, January 1, 2020	\$ 905,599	\$ 890,030	\$ 1,795,629
Investment return, net	196,816		196,816
Endowment net assets, December 31, 2020	1,102,415	890,030	1,992,445
Investment return, net	183,404		183,404
Endowment net assets, December 31, 2021	\$ 1,285,819	\$ 890,030	\$ 2,175,849

Investment and Spending Policies

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs and other items supported by its endowment while seeking to maintain the purchasing power of the endowment. Endowment assets include those assets of donor-restricted endowment funds the Organization must hold in perpetuity or for donor-specified periods, as well as those of board-designated endowment funds. Under the

Organization's policies, endowment assets are invested in a manner that is intended to produce results that meet or exceed the market index while assuming an investment risk levels consistent with the market. The Organization expects its endowment funds to provide an average rate of return to meet or exceed the market index for the appropriate benchmark market over time, relative to the investment objectives, goals, and guidelines set forth by the Organization. Actual returns in any given year may vary.

To satisfy its long-term rate of return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both current yield (investment income such as dividends and interest) and capital appreciation (both realized and unrealized). The Organization targets a diversified asset allocation that places an equal emphasis on equity-based and fixed-income investments to achieve its long-term return objectives within prudent risk constraints.

In accordance with management's interpretation of donor intentions, earnings on the donorrestricted endowment funds are not subject to donor restriction. The Organization's policy is to transfer the earnings to the board-designated endowment fund. In April 2021, the Organization adopted a spending policy that allows it to draw up to 5 percent of the asset value of the boarddesignated portfolio on an annual basis. In establishing this policy, the Organization considered the long-term expected return on its endowment. Prior to April 2021, the Organization did not have a formal spending policy and appropriated for expenditures on an as-needed basis as approved by the Board of Directors.

Note 13: Significant Estimates and Concentrations

Accounting principles generally accepted in the United States of America require disclosure of certain significant estimates and current vulnerabilities due to certain concentrations. Those matters include the following:

Investments

The Organization invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying statements of financial position.

Government Grants and Contracts

The Organization received grant funding under the *Victims of Crime Act* totaling \$1,247,916 and \$1,240,318 during the years ended December 31, 2021 and 2020, respectively. This accounted for approximately 58 percent and 61 percent of the Organization's total grant revenue and support for the years ended December 31, 2021 and 2020, respectively.

Contributions

Approximately 22 percent of all contributions were received from one donor in 2021 and approximately 15 percent of all contributions were received from one donor in 2020. The threshold used for evaluating concentrations is 10 percent of total contributions included on the statements of activities.

Note 14: Subsequent Events

Subsequent events have been evaluated through June 30, 2022, which is the date the financial statements were available to be issued.

Note 15: Future Change in Accounting Principle

Accounting for Leases

The Financial Accounting Standards Board amended its standard related to the accounting for leases. Under the new standard, lessees will now be required to recognize substantially all leases on the statements of financial position as both a right-of-use asset and a liability. The standard has two types of leases for statements of activities recognition purposes: operating leases and finance leases. Operating leases will result in the recognition of a single lease expense on a straight-line basis over the lease term similar to the treatment for operating leases under existing standards. Finance leases will result in an accelerated expense similar to the accounting for capital leases under existing standards. The determination of lease classification as operating or finance will be done in a manner similar to existing standards. The new standard also contains amended guidance regarding the identification of embedded leases in service contracts and the identification of lease and nonlease components in an arrangement. The new standard is effective for annual periods beginning after December 15, 2021, and any interim periods within annual reporting periods that begin after December 15, 2022. The Organization is evaluating the effect the standard will have on the financial statements.

Safehome, Inc. Notes to the Schedule of Expenditures of Federal Awards Year Ended December 31, 2021

Note 1: Basis of Presentation

The accompanying schedule of expenditures of federal awards (Schedule) includes the federal award activity of Safehome, Inc. under programs of the federal government for the year ended December 31, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Safehome, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of Safehome, Inc.

Note 2: Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

Note 3: Indirect Cost Rate

Safehome, Inc. has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Independent Auditor's Report

Board of Directors Safehome, Inc. Overland Park, Kansas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Safehome, Inc., which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 30, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Safehome, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Safehome, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Safehome, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Board of Directors Safehome, Inc. Page 2

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Safehome, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for the Major Federal Program and Report on Internal Control Over Compliance

Independent Auditor's Report

Board of Directors Safehome, Inc. Overland Park, Kansas

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Safehome, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on Safehome, Inc.'s major federal program for the year ended December 31, 2021. Safehome, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Safehome, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2021.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the "Auditor's Responsibilities for the Audit of Compliance" section of our report.

We are required to be independent of Safehome, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Safehome, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Safehome, Inc.'s federal programs.

Board of Directors Safehome, Inc. Page 2

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Safehome, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Safehome, Inc.'s compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Safehome, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Safehome, Inc.'s internal control over compliance relevant to the
 audit in order to design audit procedures that are appropriate in the circumstances and to test and
 report on internal control over compliance in accordance with the Uniform Guidance, but not for
 the purpose of expressing an opinion on the effectiveness of Safehome, Inc.'s internal control
 over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficience, yet and corrected of the time of deficiencies, in internal control over compliance with a type of compliance with a type of compliance is a deficiency or a combination of deficiency, or a combination of deficiency or a combination of deficiency in *internal control over compliance* is a deficiency, or a combination of deficiency or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors Safehome, Inc. Page 3

Our consideration of internal control over compliance was for the limited purpose described in the "Auditor's Responsibilities for the Audit of Compliance" section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

	Material weakness(es) identified?	🗌 Yes 🖾 No				
	Significant deficiency(ies) identified?	🗌 Yes 🖾 None Reported				
3.	Noncompliance material to the financial statements noted?	🗌 Yes 🖾 No				
Fe	Federal Awards					
4.	Internal control over the major federal award program:					
	Material weakness(es) identified?	🗌 Yes 🖾 No				
	Significant deficiency(ies) identified?	🗌 Yes 🖾 None Reported				
5.	Type of auditor's report issued on compliance for the major federal a	award program:				
	🛛 Unmodified 🗌 Qualified 📄 Adverse 📄 Disclaimer					
6.	Any audit findings disclosed that are required to be reported in accord	rdance with 2 CFR 200.516(a)?				
7.	Identification of major federal program:					
	Name of Federal Program or Cluster	Assistance Listing Number				
С	rime Victim Assistance	16.575				
8.	3. Dollar threshold used to distinguish between Type A and Type B programs was \$750,000.					

9. Auditee qualified as a low-risk auditee? \Box Yes \boxtimes No

Safehome, Inc. Schedule of Findings and Questioned Costs (Continued) Year Ended December 31, 2021

Section II – Financial Statement Findings

No matters are reportable.

Section III – Federal Award Findings and Questioned Costs

No matters are reportable.

Safehome, Inc. Summary Schedule of Prior Audit Findings Year Ended December 31, 2021

Reference Number	Finding	Status
2020-001	Criteria or Specific Requirement – Management is responsible for establishing and maintaining effective internal controls over financial reporting.	Corrected
	Condition – Generally accepted accounting principles require nonprofit organizations to recognize revenue in the proper period. Unconditional contributions that are intended for and received (<i>i.e.</i> , physically received in person, postmarked or fully processed by December 31) should be recorded as revenue and a deposit in transit or receivable at that time rather than when deposited in the Organization's bank account.	
	Context – During our auditing procedures, we identified errors related to the period in which certain unconditional contributions were recognized. The contributions were recognized at the time of the deposit in the Organization's bank account rather than in the period where the unconditional contribution became available to the Organization.	
	Effect – Potentially material misstatements in the financial statements due to error or fraud could occur and not be prevented or detected in a timely manner.	
	Cause – Revenue cutoff was not evaluated at the end of a period and beginning of a new period to ensure that revenue is recognized in the correct period.	
2020-002	Criteria or Specific Requirement – Management is responsible for establishing and maintaining effective internal controls over financial reporting.	Correcte
	Condition – A significant audit adjustment was proposed and recorded to properly state grants and contributions receivable at year end.	
	Context – During testing and review of grants and contributions receivable, it was determined that payments received on certain grants had been mistakenly accounted for as payments of a subsequent award. The revenue recognized in the current year and prior year were correct per ASU 2018-08, however, the receivable balance on the current year award was significantly understated. As a result, an audit adjustment was proposed and recorded.	
	Effect – Potentially material misstatements in the financial statements due to error or fraud could occur and not be prevented or detected in a timely manner.	
	Cause – The historical method in which receivables are tracked is not sufficient as it does not ensure the financial statements are free from material error.	

Safehome, Inc. Summary Schedule of Prior Audit Findings (Continued) Year Ended December 31, 2021

Reference Number	Finding	Status
2020-003	U.S. Department of Justice, passed through from State of Kansas Office of Governor Crime Victim Assistance – #16.575 Award Number – 2018-V2-GX-0003	Corrected
	Criteria or Specific Requirement – Allowable Costs Federal regulations state that "charges to federal awards for salaries and wages, must be based on records that accurately reflect the work performed." The regulations also state that "the records must be supported by a system of internal control that provides reasonable assurance that the charges are accurate, allowable, and property allocated" and that "budget estimates alone do not qualify as support for charges to federal awards; such as estimates may be used for interim accounting purposes provided that the non-federal entity's system of internal controls includes processes to review after-the-fact interim charges made to federal awards based on budget estimates." (2 CFR 200.430)	
	The Crime Victim Assistance award document states that "daily time and activity records for all staff funded by this grant project that document the services and grant projects that the staff person worked on and the time spent providing the services or programs."	
	Condition – During our test work over the Crime Victim Assistance grant, we noted that the Organization did not have time and activity records with sufficient detail per federal regulations and Crime Victim Assistance award document.	
	Questioned Costs – \$119,807 was the extrapolated error based on employees selected for testing that were not fully allocated to the Crime Victim Assistance grant.	
	Context – During our test work over the Crime Victim Assistance grant, we selected a sample that included 23 salaries and benefits expenditures with a value of \$5,414. Within our sample, we noted that the time sheets did not support the percentage of the employees time that was allocated to the grant if the employees time was allocated to multiple projects or provide for detailed daily recording of activities. These represented eight selections with a value of \$523. Per discussions with management and further review, the amounts charged to the grant were based on the approved budget for the position. Salaries and benefits charged to the grant in the audit period totaled \$1,131,476 and represented 91% of the total grant expenditures for the period. The sample was not intended to be, and was not, a statistically valid sample.	
	Effect – Based on the testing completed, the Organization does not have sufficient procedures to record and verify employees time and activity.	
	Cause – Management indicated that this was attributed to a misunderstanding of the requirements of the time and effort reports.	
	Identification as a Repeat Finding – Not applicable.
