

Safehome

SUMMARY

ABOUT US

Safehome is a nonprofit domestic violence agency based in Johnson County. Our core purpose is to empower survivors of domestic violence and their children to live a life free from abuse. As the largest domestic violence agency in Kansas, we serve approx. 8,000 individuals every year, offering 24-HR Hotline, Shelter, Legal Assistance, Counseling, and more!

WHY A YOUNG PROFESSIONALS BOARD?

Safehome has been providing free services to survivors in our community for over 40 years - we want to make sure that continues. By being apart of our Young Professionals Board (YPB), you are helping cultivate the next generation of community advocates, monetary supporters, leaders, and Executive Board members. While the primary goal of the YPB is planning and executing fundraising initiatives for Safehome, your involvement does so much more than that! You are partnering with our mission to break the cycle of domestic violence.

GOALS & STRUCTURE
